

New Voter Identification Requirements in Effect

Due to a recent court ruling every Michigan voter who offers to vote in the polls must comply with the requirement by showing picture identification or signing an affidavit attesting that he or she is not in possession of picture identification. (See [MCL 158.523](#) for picture identification requirement)

Voters with picture identification:

Voters can satisfy the picture identification requirement by showing a Michigan driver's license or a Michigan personal identification card.

Voters who do not possess *either* document may show any of the following forms of picture identification as long as they are current:

- Driver's license or personal identification card issued by another state.
- Federal or State government issued photo identification.
- U.S. Passport
- Military identification card with photo.
- Student identification with photo from a high school or an accredited institution of higher education.
- Tribal identification card with photo.

Voters without picture identification:

Michigan election law anticipates that not all voters will have picture identification. Voters who do not bring picture identification to the polls or do not possess picture identification can vote like any other voter by signing an affidavit.

Questions regarding the picture identification requirement can be directed to your local city or Township Clerk's Office.
