OAKLAND SCHOOLS INTERMEDIATE SCHOOL DISTRICT REGIONAL ENHANCEMENT MILLAGE PROPOSAL:

Pursuant to state law, revenue raised by this proposal regional enhancement millage will be collected by the Oakland Schools Intermediate School District and distributed on an equal per-pupil basis to local public school districts and eligible public school academies within the boundaries of the Oakland Schools Intermediate School District.

Shall the limitation on the amount of ad valorem taxes which may be imposed on taxable property in the Oakland Schools Intermediate School District, State of Michigan, be increased by 1.5 mills (\$1.50 on each \$1,000 of taxable valuation) for a period of six (6) years, 2026 to 2031, inclusive, as new additional millage to provide funds to enhance other state and local funding for public school operation purposes? This millage would raise an estimated \$125,765,247 if approved and first levied in 2026.

The revenue from this regional enhancement millage will be disbursed on an equal per-pupil basis to the following listed school districts and public school academies within the boundaries of Oakland Schools Intermediate School District which are eligible to receive regional enhancement millage revenue under the Revised School Code:

Avondale School District; Berkley School District; Birmingham Public Schools; Bloomfield Hills Schools; Brandon School District; Clarenceville School District; Clarkston Community Schools; Clawson Public Schools; Farmington Public Schools; Ferndale Public Schools; Hazel Park Schools; Holly Area Schools; Huron Valley Schools; Lake Orion Community Schools; The Lamphere Schools; Madison District Public Schools; Novi Community School District; Oak Park Schools; Oxford Community Schools; Pontiac School District; Rochester Community Schools; Royal Oak Schools; South Lyon Community Schools; Southfield Public Schools; Troy Schools District; Walled Lake Consolidated Schools; Waterford School District; West Bloomfield School District

WHITE LAKE TOWNSHIP LIBRARY MILLAGE RENEWAL PROPOSAL: Shall White Lake Charter Township, Oakland County, Michigan, be authorized to levy a millage annually in an amount not to exceed .3606 mill (\$0.3603 per each \$1,000 of taxable value), against all taxable property in the Township for a period of eight (8) years, 2026 through 2033, inclusive, to provide funds for operating, maintaining, and equipping the White Lake Township Library and for all other library purposes authorized by law? The estimate of the revenue the Township will collect if the millage is approved and levied in the first year of levy (2026) is approximately \$622,000. The revenue from this millage levy will be disbursed to the White Lake Township Library.

WATERFORD SCHOOL DISTRICT REPLACEMENT OPERATING MILLAGE PROPOSAL: *(Qualified Electors of Precincts 7 and 9 Only)*

This proposal would replace, restore and extend the authority of the School District to levy the statutory limit of 18 mills on non-homestead property (principally industrial and commercial real property) which currently expires with the School District's 2033 tax levy and allow the School District to continue to levy the statutory limit of 18 mills on non-homestead property in the event of future Headlee rollbacks up to 4 mills. The authorization will allow the School District to continue to receive revenues at the full per pupil foundation allowance permitted by the State. Personal residences are exempt from this levy.

Shall the limitation on the total amount of taxes which may be assessed against all property, except principal residences and other property exempted by law, situated within the Waterford School District, County of Oakland, State of Michigan, be increased to the amount of 22 mills with 18 mills being the maximum allowable levy (\$18.00 on each \$1,000 of taxable valuation), for a period of ten (10) years, 2026 to 2035 inclusive, with 17.6749 mills of the above 22 mills being a replacement of authorized millage which will otherwise expire on December 31, 2033 and 0.3251 mills of the above 22 mills being a restoration of the millage lost as a result of the reduction required by the Michigan Constitution? This operating millage if approved and levied, would provide estimated revenues to the School District of \$17,701,778 during the 2026 calendar year, to be used for general operating purposes.
