could meet with the jurisdiction to negotiate their participation. The 35% capture was the lowest in all of Oakland County, and that served as good leverage for negotiations. A delegation of Township representatives would be meeting with the Library Board to discuss the TIF Plan with them, and to formally ask the library to opt in. The opt out period would end on January 29, 2024. There would potentially be a meeting in February 2024. Director O'Neil briefly went over a memo from Mr. Carlisle outlining future timelines.
