

WHITE LAKE TOWNSHIP UTILITY MAINTENANCE WORKER

The Charter Township of White Lake is accepting applications for a Utility Maintenance Worker in the water and sewer division.

The Utility Maintenance Worker performs duties and tasks required to operate and maintain township water and sewer systems. Job functions include the inspection and repair of facilities, maintenance of portable water reservoirs and pump stations, lift stations, meters, and drainage systems. Responds to complaints regarding water leaks, water quality, water pressure and flooding.

Minimum qualifications include 2 years of experience in construction, maintenance and repair or a related field. The S or D license to operate water supply, treatment and distribution systems is preferred. Candidates not currently possessing these licenses will be required to obtain them.

Knowledge of equipment, facilities, materials and maintenance and repair activities required. Must possess mechanical aptitude.

The annual salary range is \$44,571 to \$61,144 commensurate with experience and certifications. This includes a comprehensive benefit plan, including health insurance, optical, dental and life insurance. White Lake Township has a defined benefit pension plan and generous paid time off for holidays and vacation.

To apply send cover letter, resume, application and certifications to White Lake Township, 7525 Highland Road, White Lake, MI 48383. Attn: Human Resources / Utility Maintenance Worker.

Please see the detailed job description and qualifications also posted for this position.

Applications will be accepted until the position is filled. Applications and job description can be obtained electronically at <https://www.whitelaketwp.com/jobs> .
