

WHITE LAKE TOWNSHIP FIRE DEPARTMENT JOB DESCRIPTION

FIREFIGHTER (CAREER DIVISION)

Non-Exempt

GENERAL RESPONSIBILITIES

Respond with their assigned unit to fire alarms, emergency medical situations, and other natural or man-made emergencies as required; participate in fire prevention activities; perform fire suppression activities in the protection of life and property against the hazards of fire; provide pre-hospital emergency medical care (BLS/ALS) to the ill and injured; operate and assist in maintaining fire apparatus, firefighting equipment, and facilities; and to perform related work as required.

SUPERVISION RECEIVED

Work is performed under the supervision of a Fire Sergeant or other superior officer.

ESSENTIAL JOB FUNCTIONS

An employee in this classification may be called upon to do any or all of the following.

- Respond as ordered to fire alarms with assigned unit, handle and safely operate various types of hose lines, nozzles, fire extinguishers, hand and power tools, erecting of ground ladders, and water systems required for fire extinguishment.
- Assist with fire extinguishment, forcible entry, ventilation, rescue, salvage, and overhaul operations.
- Drive and operate fire apparatus, EMS vehicles, and other vehicles as assigned.
- Respond as directed to emergency, and nonemergency alarms with assigned unit.
- Provide emergency pre-hospital medical care involving Basic Life Support and or Advanced Life Support while utilizing equipment appropriate to the license level.
- Participate in department training programs.
- Participate in fire prevention/community risk reduction activities as directed.
- Perform general cleaning, maintenance, and minor repairs of fire apparatus, firefighting equipment, and fire stations.
- Perform office duties including completion of reports, correspondence, forms, and records as required.
- Operate telephone, and radio systems.
- Prepare meals, wash dishes, and maintain fire station kitchen area as assigned.
- Perform any/all duties assigned by the Fire Chief.

PRIMARY RESPONSIBILITIES

Be able to perform the essential job functions with or without reasonable accommodations.

- Communicate effectively over Fire Department radio channels while initiating and responding to radio communications, often under adverse conditions such as siren usage and vehicle operations.
- Conduct fire ground operations for long periods of time, and potentially under extreme weather conditions.
- Conduct visual and audio observations and maintain situational awareness.
- Enter and exit vehicles quickly to perform rescue operations or answer emergency calls.
- Exercise independent judgement, within legal and departmental guidelines, to determine when there is undue danger and report the dangerous condition to their supervisor.
- Gather information by interviewing and obtaining the statements of victims, witnesses, and informants.
- Operate department apparatus in emergency situations while exercising due care and caution in both the day and night; and potentially under extreme weather conditions.
- Operate firefighting equipment, mechanical equipment, and tools. Pull/drag hose lines, use rope and tie a variety of fire service knots.
- Operate in IDLH (Immediately Dangerous to Life or Health) atmospheres while wearing a self-contained breathing apparatus.
- Perform Fire Department functions while working various shifts and unanticipated overtime.
- Perform tasks which require lifting, carrying, or dragging people or heavy objects while performing rescue or general firefighting functions.
- Prepare various forms and other reports, using appropriate grammar, punctuation, symbols, and mathematical computations.
- Read and comprehend rules, regulations, policies, procedures, and the law for purposes of ensuring appropriate firefighter behavior/response and performing activities involving the public.
- Use bodily force to gain entrance through barriers to investigate and/or rescue.
- Be able to follow instructions.
- Be willing to perform and complete assigned tasks.
- Be able to work effectively with other employees.
- Be able to perform a high amount of physical activity for a short duration of time and possess the stamina needed for extended emergency incident operations.

QUALIFICATIONS FOR APPOINTMENT

- Upon appointment the candidate shall have complied with all requirements of employment as established by the Charter Township of White Lake Civil Service Commission.

EDUCATION AND MINIMUM QUALIFICATIONS

- Must be 18 years or older at the time of employment. Must possess, or be able to obtain by time of hire, a valid State of Michigan driver's license.
