**PUBLIC HEARING**

**A. ELR Rezoning (southwest corner of Elizabeth Lake Road and Highland Road)**

Location: Property is described as vacant parcel number 12-21-426-007, located on the southwest corner of Elizabeth Lake Road and Highland Road (M-59), consisting of approximately 8.6 acres.

**Request: The applicant would like to rezone the property from (AG) Agricultural to GB (General Business) or any other appropriate zoning district.**

Director O'Neil went over a summary of the applicant's request. The request is for the rezoning of the parcel, a site plan was not included or considered at this time.

Commissioner Carlock asked staff what happened with the applicant's original rezoning request for Planned Development. Director O'Neil said the applicant can answer that.

Commissioner Sevic asked the staff if wetlands would be impacted. Director O'Neil said the applicant will have to adhere to the 25' natural features setback, and he didn't believe an impact to the wetlands will be proposed.

Commissioner Anderson stated on the concept plan, there was a call out south of the parking lot had a for "future development" that he wanted clarification on.

David Yaldo, 4036 Telegraph, Bloomfield Hills, said this project has been under the works for several years. He said the plan is conceptual only, and a real site plan needs to be created. Only 6 acres of the site is useable, the rest is wetlands. The wetlands have already been demarcated. There are no real users for the project, but once the rezoning is approved, users will be considered. The site will be developed into a beneficial use for the community.

Commissioner Carlock asked Mr. Yaldo why the Planned Development rezoning request was abandoned. Mr. Yaldo said there was an issue with the cross-access requirement to the southern property owners. There would have been many financial constraints with more traffic into the site and the possibility of having to install a traffic light.

Commissioner Anderson asked Mr. Jawich about the future developments proposed. Ned Jawich, property owner, said the call out was from the residential component from the previous plan, but now will be considered for any future commercial use that aligned with the final zoning designation on the property.

Commissioner Anderson asked Mr. Yaldo if the conceptual drive thrus were set in stone. Mr. Yaldo said no, it was merely there for the conceptual piece.

Commissioner Dehart asked staff if a liquor license could be obtained for the General Business zoning. Director O'Neil stated that restaurants with a liquor license would be allowed under the General Business zoning, and drive thrus and outdoor seating would be allowed with a special land use approval.

Chairperson Seward opened the public hearing at 6:53 P.M. Seeing none, he closed the public hearing at 6:55 P.M.

Commissioner Ruggles said General Business is an appropriate zoning for the site and has no opposition to the request.

Commissioner Sevic stated she doesn't oppose the zoning request, but there are too many proposed buildings on the conceptual plan.

**MOTION by Commission Anderson, seconded by Commissioner Ruggles, to recommend the Township Board approve the rezoning requested by ELR Development for vacant parcel 12-21-426-007, to rezone from Agricultural (AG) to General Business (GB). The motion carried with a roll call vote: (8 yes votes). (Ruggles/yes, Sevic/yes, Anderson/yes Seward/yes, Carlock/yes, Dehart/yes, Seeley/yes, Meagher/yes).**
