### **A. 1490 Union Lake Road Conceptual Presentation**

Director O'Neil briefly explained the applicant's concept to the Planning Commission. He added that variances will be required to build on the property. The property is zoned Neighborhood Office, and sewer and water are available in the area.

Ammar Alkhafaji, Investors Group, presented the concept to the Planning Commission. He said the site has many hardships due to the topography and shape of the lot. His proposal was four high-end condos within a three-story building. A sidewalk would be added to connect the residential area to the commercial uses across the street. The units will be 1,200 sq ft in size, and high-end finishes will be used. He proposed two-car garages and first first-floor laundry.

Commissioner Ruggles asked Mr. Alkhafaji how long he had owned the property. Mr. Alkhafaji said his group has had ownership since around 2018.

Commissioner Seeley said the proposed use is an improvement over what is currently there, but the residents will have a say during the public hearing as well.

Commissioner Dehart asked Mr. Alkhafaji if the product would be a rental or ownership product. Mr. Alkhafaji said it will be a rental product with one-year lease terms.

Commissioner Sevic asked Mr. Alkhafaji if the condos will be maintenance-free for tenants. Mr. Alkhafaji confirmed.

The Planning Commission gave feedback regarding architectural styles, beautification, and community benefits.

Director O'Neil stated there will be zoning and variance challenges for the property.

## **DIRECTOR'S REPORT**

Director O'Neil introduced the new Ordinance Officer, Josh Husted. Culver's will be opening in the fall. West Valley is currently under construction.
