

Happy Holidays!

FROM THE STAFF AT
WHITE LAKE TOWNSHIP

2021 IS ALMOST HERE!! SOME HIGHLIGHTS FOR THE NEW YEAR...

- CONGRATULATIONS to the Clerk Department for running another successful election. Thank you for all your hard work!! We would also like to wish Terry Lilley well in his retirement. He will be missed!
- White Lake Treasury now participates in the G2G Program thru Oakland County to pay bills on-line. Check out our website www.whitelaketwp.com for details.
- WOTA has been launched! This successful joint project with Highland, Waterford and White Lake Township is off and running even through this COVID-19 pandemic. WOTA has already exceeded 12,000 rides. We have even joined force with Open Door to help residents in need.
- Stanley Park master planning is under way.
- Civic Center planning continues to move forward in hopes of having a more defined plan to reveal in 2021.
- White Lake Township and Huron Valley Schools are currently working to provide Township water to the Lakeland campus. In conjunction with this project are plans for an iron filtration plant that will provide the best quality water to the campus.
- We would like to welcome new Township Clerk Anthony Noble and Deputy Clerk Bill Bullard. They both look forward to serving the residents of White Lake.
- 4-Corners has changed with several stores open, Tim Hortons, Taco Bell and the luxury apartments looking to begin renting in Spring 2021.

Dear Fellow Residents,

What can I say about 2020 other than the fact that I can't wait until its over! The Township is making efforts to continue business as usual amid all the government mandates. The staff here is more than ready, willing and able to serve you. However, we do ask for your patience, things are taking a little more time these days.

Over the year we have welcomed several new businesses to our community. I would please ask that you patronize our local businesses. They need our help to survive these shut downs due to COVID-19.

The Planning department continues to receive interest in our community. Sean O'Neil, Planning Director continues to work hard to bring new businesses and residential developments to our beautiful White Lake Township. Planning is also working as the "quarterback" for the Civic Center area including Stanley Park and the Township Triangle Trail. Planning continues to work with Oakland County Road Commission on road improvement projects for White Lake.

I would like to thank my entire staff for working so very hard this year under crazy circumstances. I want to recognize the efforts of Aaron Potter, DPS Director and Nick Spencer, Building Official during this very busy year. The rehabilitation of our Hillview Wellhouse was completed just in time to help meet the very high demand for water over this past summer. Nick Spencer is wrapping up his first year at the Township as Building Official and has done an amazing job.

I also wanted to let you know the White Lake Twp. City, Village, Township Revenue Sharing Report (CVTRS) can be found on the home page of the Township website under the Munetrix tab.

My staff and I would like to wish our residents a joyous, peaceful and safe holiday season! We look forward to seeing you in 2021!

*Best Wishes,
Dick Kowall*
