Supervisor Kowall stated the software helps keep track of the physical structure of the Township's public utilities and assets.

Director Potter said there is a slight increase in the contract cost, but \$2500 will be saved as the data storage will be moved from Amazon Web Services to Trimble.

Trustee Voorheis asked Director Potter if the contract length could be extended. Director Potter said the original contract was for four years, and he can look into longer contract lengths. Right now, the contract is renewed at two-year intervals.

C. REQUEST TO APPROVE QUOTE FOR RESERVE LIGHT POLES FOR ELIZABETH LAKE ROAD - MCNAUGHTON MCKAY ELECTRIC

Supervisor Kowall said he supported purchasing a couple of the light poles, but mentioned there are storage space issues.

Treasurer Roman said freight pricing would be the only thing that would change if the quantity of the light poles is decreased on the quote.

Trustee Voorheis thanked Trustee Ruggles for looking into this matter and getting the quote. She said six is a good quantity of light poles to keep on hand.

Trustee Smith said having an inventory of the light poles is a good idea since they will get hit again due to their placement. She said in hindsight; the Board should have considered different light poles due to the replacement and maintenance costs.

Supervisor Kowall reiterated that he is in favor of a few replacement light poles in storage.

It was MOVED by Supervisor Kowall, seconded by Clerk Noble, to purchase 3 light poles (model 1A-1521LED-F-12L40T4-MDL008-FG-EZ/TRSLPM/ 2916T54-.250-RCC/BKT), not to exceed \$25,000 plus shipping.
