NEW BUSINESS

- A. DISCUSSION REGARDING CHANGE ORDER FOR DEPARTMENT COUNTERTOP MATERIAL IN NEW TOWNSHIP BUILDING AND MILLWORK FOR BOARD ROOM

Supervisor Kowall stated there are costs associated with each department's service counters at Township Hall. There is an option of using a more expensive solid surface product that will have a longevity of the lifetime of the building, or a laminate product that will be less costly, but may need to be replaced after a decade or so.

Trustee Anderson said he has experience in interior design products and stated that laminate has come a long way.

Trustee Ruggles and Clerk Noble stated they are in favor of laminate.

Treasurer Roman said many visitors to his counter do not place heavy items on it and was in favor of the laminate product.

Trish Pergament, Deputy Supervisor, stated that while a solid surface counter could be more expensive, it will not need to be replaced.

Director O'Neil said if a decision is made on the countertop product selection tonight, it can be processed with the next change order.

Trustee Voorheis agreed with the Board and said laminate will be a good option

It was MOVED by Supervisor Kowall and seconded by Clerk Noble to decline the change to solid surface service countertops and approve the dais as submitted for the new Township Hall. The motion carried with a voice vote: (6 yes votes).

B. REQUEST TO APPROVE A NOT TO EXCEED AMOUNT FOR OWNER PROVIDED ITEMS FOR CIVIC CENTER BUILDINGS

Supervisor Kowall said an equipment list was compiled of items for the Civic Center buildings. The Board discussed the different items and the costs associated with installation and delivery.

Chief Keller added that the dispatch center was built larger than needed to assist with other smaller municipalities. The Police Department would take on dispatch services for other communities as a form of revenue for the Department. The centers and installation for them was included in the equipment list.
