NEW BUSINESS

- A. REQUEST TO APPROVE QUOTE AND AGREEMENT FOR PUBLIC SAFETY ANSWERING POINT SERVICES - BRILLIANT SYSTEMS

Director O'Neil stated this is an item that isn't included in MCarthy and Smith's scope of services.

Lennard Gumaer, Brilliant Systems LLC, stated he has worked on various projects with the Township over the years. He was brought in to address technology needs in the Public Safety Building. He will be the one-point person dealing with the architects, contractors, and vendors to oversee the construction and installation of the new dispatch systems, communications and related services for Public Safety. Treasurer Roman asked if the hours for each phase in the contract were fixed. Mr. Gumaer confirmed.

Clerk Noble said the price does initially look high, but there is going to be more hours into it than what the flat fee in the contract is charging.

Trustee Smith stated she doesn't understand why the procurement policy was not utilized in this instance, there are other local telecommunications companies that can provide these services. She wanted to see bids for this item.

Clerk Noble stated this is an urgent item; there are trades contractors waiting for this work to occur to proceed forward with their own work.

Director O'Neil stated if bids were procured for this item, it would significantly move the occupancy of the buildings back.

Trustee Voorheis stated she wished the procurement policy was utilized, but sometimes things happen. She was in favor of this request.

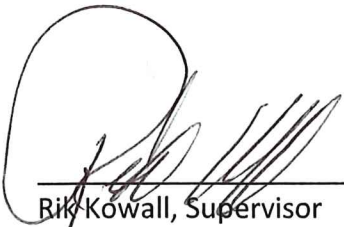

It was MOVED by Treasurer Roman, seconded by Clerk Noble to approve the quote and agreement for Public Safety Answering Point Services – Brilliant Systems, not to exceed \$165,000.00. The motion carried with a roll call vote: (5 yes votes). (Smith/no, Voorheis/yes, Anderson/yes, Ruggles/yes, Noble/yes, Roman/yes).
